

## FlorAssist® Throat Health

*Powerful probiotic defense  
for your throat*

**Item #01920 • 30 lozenges**

This unique, oral probiotic provides beneficial bacteria clinically shown to support throat health. Just one lozenge contains 20 mg of BLIS K12®, a proprietary oral probiotic known as *S. salivarius* K12, which delivers 2 billion colony-forming units. These organisms survive naturally in the throat, maximizing their potential to promote throat health by helping to ease inflammation and inhibit the damage caused by unfavorable organisms that may originate there.

Naturally flavored with spearmint and cherry, FlorAssist® Throat Health can significantly protect throat health and help maintain good health overall.<sup>1-4</sup> And because its unique compounds act locally in the throat, clinical study participants supplementing with *S. salivarius* K12 have reported excellent tolerability without systemic side effects.<sup>5</sup> Defend your throat health — try FlorAssist® Throat Health today!
