

## Rainforest Blend Antioxidant Coffee

*100% certified organic Arabica bean coffee*

**Item #02169 (Ground) • 12 oz (340 g)**

**Item #02172 (Ground Vanilla) • 12 oz (340 g)**

**Item #02173 (Ground Mocha) • 12 oz (340 g)**

**Item #02170 (Ground Decaf) • 12 oz (340 g)**

**Item #02171 (Whole Bean) • 12 oz (340 g)**

Coffee is packed with antioxidants ... but traditional roasting techniques strip the beans of these health-promoting compounds. Our Rainforest Blend Antioxidant Coffee uses a special **HealthyRoast®** process that preserves potent antioxidants and the rich, delicious flavor of these 100% USDA certified organic Arabica beans.

The patented HealthyRoast® process also retains natural compounds that protect the stomach from distress. Handpicked deep in the rainforests of Latin America, our Rainforest Blend is prepared in small batches of regular (ground or whole bean), decaf, vanilla or mocha flavors. Get the most out of your morning with Rainforest Blend Antioxidant Coffee

### Ingredients

100% organic Arabica coffee beans

### Easy Brew Instructions

- Use two tablespoons of ground coffee for each 6 fl. oz. cup.
- Use fresh filtered water.
- Brew and enjoy.
- For optimal freshness, close bag securely or transfer to an airtight container.

HealthyRoast® US Patent Nos. 6,723,368; 8,357,419.
